### **| Welcome to PurdueX: PN-17.2 – Personal Finance!**

We appreciate your interest and wish you the very best in completing this course. This course begins on January 10, 2017 at 18:00 UTC and ends on March 7, 2017 at 19:00 UTC. The course content is designed to take 5 weeks to complete. However, the course is self-paced meaning that all of the content is available from the first day. We highly recommend that you work through the content in order and not skip around. The deadline to upgrade to a verified certificate is February 28, 2017. We recommend doing this if you plan to use the course for job applications, promotions, or school applications, as it provides proof to an employer, school, or other institution that you have successfully completed the course. Verified certificates for this course will be issued on March 9, 2017. All assignments are due no later than 18:00 UTC on March 7, 2017. There will be no exceptions.

Be sure to read the course syllabus, outline, and discussion guidelines.

We want you to get the most out of this course. To help us improve the course there will be a short survey at the end of week 5. Your completion of the Course Feedback Survey will greatly assist us in the future.

If you have any questions or feedback, please contact us at [purduenexteducation@purdue.edu](mailto:purduenexteducation@purdue.edu). We will get back to you as soon as possible.

Enjoy!

Sincerely,

Sugato Chakravarty and the Purdue NEXt Team
