Idea 2

Title of your idea: Breakfast Service

Description: A service will provide you ~~the~~ healthy breakfast products for every day of the week.

Why this idea solves your design challenge:
The fact that you have the products at home will be the motivator. → You have to make time to prepare them correctly.

Idea 3

Title of your idea: GirlFriend CHALLENGE
 Description: THE efficiency seeker is challenged by a loved one to eat healthy every morning this will be guided by an app.

Why this idea solves your design challenge:
 The loved one will be an extra motivation to take more time for breakfast in the morning.

Tips:

- draw & describe your idea
- add different views
- show how it is used

Girlfriend challenge

They both upload their picture and rank each others picture on a "health scale". Whoever has the highest rank of the day wins that day. Whoever won the most times during the week wins a little gift.
